

Loan Contract — Effective from September 2020 to December 2020

Form of Loan Contract

Effective from 29 September 2020

LOAN CONTRACT

1. **Loan Contract:** The terms and conditions of your Loan Contract are set out in your Loan Disclosure Statement together with this form of loan contract. Your Loan Disclosure Statement prevails over this form of loan contract in the event of any inconsistency.
2. **Effective date:** Your Loan Contract comes into effect if, after you have been provided with your Loan Contract, you accept or confirm that you want to continue.
3. **Borrower:** The Borrower under your Loan Contract is specified in your Loan Disclosure Statement. If more than one person is the Borrower:
 1. you are jointly and individually liable under your Loan Contract;
 2. we can accept instructions from any of you (without reference to any other person who is the Borrower) in respect of your Loan Contract;
 3. each of you can agree on behalf of all of you to changes to your Loan Contract.

4. **Participating Investors:** Any Participating Investors are anonymous to the Borrower, and you will not receive information about them. No Participating Investor is a party to your Loan Contract.
5. **Agreement to lend:** Your Loan will be lent to you on and subject to the terms of your Loan Contract.
6. **Date of Advance:** The loan amount (specified in your Loan Disclosure Statement) is lent to you by Harmony Lender when our bank is requested to pay out that amount. The Date of Advance may not be the same date that the funds are received in cleared funds by you or any other payee. We may pay any part of the Loan to a third party in accordance with your instructions. In the unlikely event that your Loan is not fully funded by any Participating Investors within 14 days of the Loan Contract coming into effect, then your Loan Contract will automatically be cancelled. If this happens, Harmony Services will notify you of that fact.
7. **Interest:** Interest charges are calculated by multiplying the unpaid balance of your Loan at the end of the day by a daily interest rate. The daily interest rate is calculated by dividing the annual interest rate specified in your Loan Disclosure Statement by 365. Interest is charged and payable monthly in arrears as part of your required payments (specified in your Loan Disclosure Statement).
8. **Required payments:** You must pay to Harmony Lender as and when due all required payments specified in your Loan Disclosure Statement, which comprise principal and interest. Each required payment will be direct debited from your Nominated Account on the date it is due (unless otherwise agreed). You may select a direct debit start date and frequency that suits you, provided that each required payment is paid in full by its due date. For the avoidance of doubt (and without limiting any other payment obligation under your Loan Contract) you must pay Harmony Lender back in full the Loan together with all interest, fees, charges and other amounts payable by you under your Loan Contract, and no

such amount may be outstanding after the final due date for a required payment specified in your Loan Disclosure Statement.

9. **Fees and charges:** You must pay to Harmoney Lender all fees and charges (including default fees and charges) referred to in your Loan Disclosure Statement. Any such fees and charges will be direct debited from your Nominated Account on the date they are due (unless paid from, and forming part of, your Loan on the Date of Advance or otherwise agreed).
10. **Early repayment option:** You can prepay to Harmoney Lender your Loan or any portion of it early. If you choose to prepay the entire Loan, you must pay to Harmoney Lender the full outstanding amount of your Loan together with all interest, fees, charges and other amounts payable by you under your Loan Contract and accrued to the date of prepayment. If you choose at any time to make direct debit payments more frequently than the due date each month:
 1. these are prepayments under this clause, which means that there is no formal variation to your required monthly payments and you can choose to change your direct debit frequency again at any time (provided that each required payment is paid in full by its due date); and
 2. like any prepayment, the total amount of the interest charges payable under your Loan Contract (and therefore the total amount of payments) may be less, because these prepayments reduce the unpaid balance of your Loan earlier each month.
11. **Payment provisions:** You must make every payment under your Loan Contract:
 1. as and when due;
 2. without set-off;
 3. in cleared funds and in full, without any deduction or withholding, except as may be required by law; and
 4. to the Collections Account.

12. Harmony Services will decide the order in which amounts you pay under your Loan Contract will be applied.

You agree to a direct debit authority being established and maintained against your Nominated Account on the terms set out in the authority accompanying this document in relation to the amounts payable by you to Harmony Lender under your Loan Contract. You may change your direct debit frequency at any time, provided that each required payment specified in your Loan Disclosure Statement is paid in full by its due date. You must ensure that your Nominated Account has sufficient funds at all relevant times to honour each direct debit payment. If any direct debit payment will not be made or honoured for any reason, you must make alternative arrangements to ensure that each required payment is made in full by its due date in accordance with these payment provisions.

If any amount payable by you under your Loan Contract is not paid when due in accordance with this document, that amount will continue to constitute a debt due by you to Harmony Lender until it is paid in full (see also clause 14 below).

13. Tax Matters:

1. You will not be required to withhold or account to Inland Revenue for any RWT in relation to interest payments you make under your Loan. This is because Harmony Lender holds an RWT Exemption Certificate.
2. In certain circumstances where a Participating Investor is not resident in New Zealand for income tax purposes, you may be required to:
 1. withhold and account to Inland Revenue for NRWT; or
 2. pay AIL to Inland Revenue, in relation to interest payments you make under your Loan.
3. However, Harmony Lender will meet all NRWT or AIL obligations on your behalf from the payments you make under your Loan Contract, immediately upon payment of the relevant interest into the Collections Account. For this purpose, you:

1. authorise Harmoney Lender to act on your behalf and to do all things necessary (including, where required, completing Inland Revenue registration forms and providing all necessary information about you to Inland Revenue) to meet any NRWT or AIL obligations on your interest payments;
2. agree to provide Harmoney Lender with all necessary information (including your IRD number and any other relevant personal or tax-related information) for it to act effectively for the purposes described above.
4. You are not required to make any additional payment as a top-up for the NRWT or AIL deduction. To the extent allowable, Harmoney Lender will also undertake any required investment income reporting on your behalf.

14. Warranties: You warrant to us that:

1. all information you provide to us is true, accurate, and complete, and there is no information which has not been provided which would impact on a decision to register you as a Borrower or to make a Loan available;
2. you will provide us with updated information if any of your circumstances have changed; and
3. if your contact details change, you will immediately provide us with details of the change and update the dashboard with your revised information.

15. Default:

1. If you:
 1. do not pay any money due under your Loan Contract on the due date;
 2. commit an act of bankruptcy (as defined in the Insolvency Act 2006); or
 3. provided us with incorrect or fraudulent information,

16. we may by notice to you declare all money outstanding under your Loan Contract (including all accrued interest, fees, charges and other amounts payable by you under your Loan Contract) immediately due and payable. In that case, you must immediately pay that outstanding money to Harmony Lender. We may also exercise any collection, enforcement or other rights available to us (which, if you have not paid an amount when due, may include taking appropriate recovery action such as appointing a collection agent, instituting legal proceedings, or selling your Loan Contract to another person). You must promptly and fully comply with all requests and directions we give you when we exercise these rights.

1. In the event of a breach of your Loan Contract or on the enforcement of your Loan Contract, you must also pay to Harmony Lender any applicable default fees and charges referred to in your Loan Disclosure Statement. Any such fees and charges will be direct debited from your Nominated Account on the date they are due (unless otherwise agreed).

17. Limitation of liability:

1. If Harmony Lender (referred to in this clause as the **Trustee**) has entered into your Loan Contract as bare trustee for Participating Investors, the Trustee holds all rights and powers vested in it under or in connection with your Loan Contract as bare trustee for the Participating Investors in accordance with their respective interests, on and subject to the terms of the Trustee's appointment.
2. Without limiting clause 15(a), no Relevant Person will be liable if it fails to comply with your Loan Contract due to events beyond its reasonable control (including due to any Participating Investors failing to fund your Loan). Nothing in this clause 15(b) or your Loan Contract limits any rights you may have at law.

18. Changes to terms:

1. We will not, without your prior agreement, amend the interest rate applying to your Loan, the loan term, the loan amount, the amounts of any loan repayments, the loan repayment dates, or any other matter except as expressly permitted in your Loan Contract. For the avoidance of doubt, the actual Date of Advance may not be the expected date described in your Loan Disclosure Statement, and (in that case) you permit us to notify you of the different Date of Advance and any associated change to any amount payable under your Loan Contract.
2. We may from time to time introduce a new type of fee under your Loan Contract, or amend any fee payable under your Loan Contract, but only in accordance with applicable law (including applicable lender responsibility principles and notice requirements) and only if (acting reasonably) we consider the introduction or amendment to be necessary or appropriate in all the circumstances. Harmoney Services will be entitled to process additional debit payments to cover any such fees.

19. Notices:

1. You must provide all notices to us in writing (including by email) using the contact details provided in your Loan Disclosure Statement or any updated details provided by Harmoney Services or on the Website at the relevant time.
2. You consent to obtaining ongoing disclosure information required by law about your Loan online. Such information can be accessed by logging on to the Website. You consent to receiving all other notices, documents and communications relating to your Loan in electronic form and by electronic means and you agree that (subject to applicable legal requirements) we may use any electronic message address specified by you and/or we may communicate with you through the Website (including the dashboard) for that purpose.

20. **Severability:** The illegality, invalidity or unenforceability of any provision in your Loan Contract will not affect the legality, validity or enforceability of another provision.

21. **Privity:** Each of Harmoney Lender and Harmoney Services can enforce its rights under your Loan Contract even if it has not signed your Loan Contract.

22. **Assignment:**

1. You may not transfer or assign any of your rights or obligations under your Loan Contract to any person.
2. Each of Harmoney Lender and Harmoney Services may transfer or assign all and any of its rights and/or obligations under your Loan Contract to any person, without requiring your consent.

Attachment 2 - Fees and charges

Borrowers will be charged no additional fees beyond the one-off establishment fee, except in the event of a breach of the loan contract or on the enforcement of the loan contract.

Please note that fees and charges can be varied in accordance with the applicable loan contract.

Establishment fee

Borrowers are charged an up-front, one-off establishment fee of \$200 for approved loan amounts of below \$5,000, or \$450 for approved loan amounts of \$5,000 and above.

The establishment fee covers the arranging costs incurred in connection with the loan application, including the processing and consideration of that application, documenting the loan, and administration around advancing the loan.

The establishment fee is paid from the Borrower's loan on the date the loan is advanced. The amount of the fee is added to the approved loan amount and forms part of the principal amount of the loan (which is repaid, together with interest, by regular payments as specified in the loan contract).

These establishment fees also apply to Top Ups.

Dishonour fee

In the case where a Borrower's payment is dishonoured, a \$15 fee may be charged. However, you will not be charged this fee if a direct debit payment for weekly or

fortnightly payments is dishonoured, as long as you still pay your required monthly payment in full by the due date each month.

The dishonour fee covers the costs of the additional administration required to re-process and arrange the payment as part of the collection process.

Any dishonour fee will be charged to the Borrower and direct debited from the Borrower's nominated bank account on the Borrower's next payment due date.

Overdue fee

The overdue fee is charged if a payment is not made in full when due and the account goes into arrears. The fee payable is \$20 on each of 6, 36, 66, 96 and 120 days after the payment due date, if the account remains in arrears.

The overdue fee covers the costs of the additional administration required to manage the collection process for an overdue account, which includes arranging for a collection process in respect of the arrears amount, updating and maintaining records, and other necessary and incidental services to the collection process.

The overdue fee is charged to the Borrower and direct debited from the Borrower's nominated bank account on the Borrower's next payment due date.

Collection and enforcement fees

If collection or enforcement action is required against a Borrower, an amount that is no more than the legal and associated third party costs or expenses incurred in that collection or enforcement process (if any) will be charged to the Borrower.

These fees cover the costs or expenses incurred when a third party is instructed to assist with recovery in respect of an overdue account.

These fees are charged to the Borrower and direct debited from the Borrower's nominated bank account on the Borrower's next payment due date.
